INFORMATION DISCLOSURE STATEMENT

Dear Sir:

- 1) Pursuant to 37 C.F.R. 1.56, 1.97 and 1.98 applicants enclose a Form PTO-1449 and make of record the documents listed thereon. Copies of English Abstracts for references AB to AI and English Translations for references AC to AI are enclosed. A copy of the International Search Report issued on September 21, 2004 in the corresponding PCT International application is also enclosed. References AB to AI are not (and need not be) enclosed, because they were transmitted to the USPTO by the International Search Authority in the International Phase of this PCT Application.

- 2) This statement is being filed concurrently with the above identified new PCT National Phase Application.
- 3) Reference AA is in English. References AB to AI are accompanied by English abstracts. References AC to AI are accompanied by English translations. Reference AG is a counterpart of AA. No further discussion of the references is necessary.
- 4) The relevance of references AB and AI was indicated by category in the International Search Report (A = technological background, general state of art; Y = relevant for obviousness when combined with another document; X = relevant for anticipation or obviousness when considered alone). Thereby a concise explanation of the relevance has been provided (see M.P.E.P. §609).
- 5) The Examiner is respectfully requested to consider all references of record, return an initialed copy of the enclosed Form PTO-1449 and ensure that all references of record are printed on any patent issuing from this application.
- 6) Favorable consideration and allowance of claims 1 to 40 are respectfully requested.

Respectfully submitted,
Makoto OTSUKI et al.
Applicant
